## Celiac Sprue Association Welcomes Corporate Benefactor Jones Dairy Farm

The Celiac Sprue Association (CSA) announces the addition of Jones Dairy Farm as its newest Corporate Benefactor Member. Through their generous support, CSA Corporate Benefactor Members further the CSA mission of helping individuals with celiac disease and dermatitis herpetiformis and their families worldwide through information, education, support and research.

When Milo Jones founded Jones Dairy Farm back in 1889, the company produced only one product, sausage made from his mother's old family recipe. Today, six generations later, the company has built its remarkable reputation as a leader in the premium breakfast meats category by staying true to one simple philosophy: make quality products without cutting corners.

Although best known for all natural breakfast sausage, Jones has a 120-year heritage of producing a wide variety of quality products – many that are gluten free - including ham, Canadian bacon, hickory and cherrywood smoked bacon and braunschweiger. Jones currently offers more than 50 gluten-free items available in retail stores and online via the Jones web site.

Jones takes pride in producing products you can trust. They operate a modern bacteriological laboratory on-site to monitor and test for food safety. Testing is done seven days a week, with close to 100,000 tests per year checking cleanliness, water quality, temperature and equipment.

The Jones family guarantees every product they make, a guarantee that comes naturally when you've refused to compromise quality for more than a century. Jones products listed in the *CSA Gluten-Free Product Listing* can be served to your family with confidence and are all delicious additions to gluten-free diets.

More information about the gluten-free offerings from Jones Dairy as well as dozens of gluten-free recipes are available at [www.jonesdairyfarm.com](http://www.jonesdairyfarm.com).

For further information about the Celiac Sprue Association Corporate Benefactor Member Program visit the CSA website [www.csaceliacs.org](http://www.csaceliacs.org) or contact the CSA office toll-free at 877-CSA-4-CSA, or e-mail [celiacs@csaceliacs.org](mailto:celiacs@csaceliacs.org)
